SPONSORED BY: COUNCIL MEMBERS FOX, FOWLER, AND MULVIHILL

WHEREAS, recent amendments were made to LMCO § 123.36 regarding the time which vehicles sold to secondary metals recyclers without a valid title must be held before alteration; and

WHEREAS, the size and number of such vehicles would require many acres of additional storage area in which to hold unaltered vehicles for ten days; and

WHEREAS, vehicles sold to secondary metals recyclers with a valid title under LMCO § 123.35 do not require a holding period; and

WHEREAS, a technical correction to a reference to state law in LMCO 123.01 is also needed; and

WHEREAS, a jurisdictional limitation in LMCO 123.02, on the enforcement of LMCO Chapter 123 in suburban cities of 10,000 or more, has caused confusion for affected businesses and law enforcement, while hindering LMPD’s ability to locate stolen goods using online tools;
