Jon,

No one attended the 1938 Bonnycastle neighborhood meeting yesterday. I did get this text from my neighbor which you can add to the file:

"Andrew, I am working tomorrow and will not be able to attend your meeting. I have NO problems with the plan you have for your property next door to me. Your guests there have NEVER created a noise or parking problem for me. (My favorite story I've told friends is the Canadian visitor who offered to hold my ladder while I cleaned out my garage gutters). I also want to add that the upkeep to the exterior of the house and the yard has been excellent. Feel free to share my comments.

I will work on the full application after Christmas

thanks,
Andrew
