Mr. Dock,

As per our phone conversation 9-12-18, this email addresses my concerns with the northern boundary of 805 Hay Court.

I own the property located at 8315 Nash Road which adjoins the northern boundary of 805 Hay Court. Due to county ordinance, I must keep the grass cut to less than ten inches. The over growth of trees and bushes make it very difficult to mow our property along that boundary. Cutting back and maintaining the trees and bushes by the Hay Court property owner would be greatly appreciated.

Thank you for your time and attention.
