Kyle,  
The morning of either day would be fine. I would like to recommend getting the area staked again showing both the property lines and the easement. I think that will help to visualize the location of the access drive. Has CM Hollander secured funds for the project that we could utilize for the staking?

Thanks,  
Andrew

Andrew,

Would you be available to meet onsite to explain the project with the son of the owner of 278 Claremont on Wednesday, April 29 or Thursday, April 30?

Thanks,  
Kyle
