To Whom it May Concern,

This letter serves as confirmation that United Parcel Service (UPS) has entered into a long-term Ground Lease with the Louisville Regional Airport Authority for approximately 43 acres at Louisville International Airport. UPS is constructing an Aircraft Maintenance Hangar and Aircraft Ramp on the site. Furthermore, UPS owns and has full responsibility for the improvements for the duration of the lease.

We appreciate your attention to this matter.

Sincerely,

A handwritten signature in blue ink that reads "Tom Foote".
