**Re: Request for Submittal of Zoning Change Request  
5200, 5204 and 5208 Chathamwood Court**

Dear Mr. Reverman:

On behalf of Chathamwood, LLC (“Chathamwood”) the owner of the above property, I request that the Louisville/Jefferson County Planning Commission grant Chathamwood permission to file a Change in Zoning request for the addresses above. The Change in Zoning request will substantially differ from the most recent request as follows:

- Unit density will decrease to 15 instead of 24;
- Zoning Map Amendment to be R5A instead of R6;
- Unit Type will be Townhomes rather than apartments; and,
- Encroachment into the 50’ Middle Stream Bank Buffer will be 1713 square feet instead of 14,156 square feet (an 88% reduction).
- Encroachment into the 25’ Outer Buffer will be 4415 square feet instead of 8,894 square feet (a 49.6% reduction).

Thank you for your consideration.

Yours truly,

DUNCAN GALLOWAY
