RE: Cost of Speed Humps for W. Breckinridge Street

Three (3) Speed Humps x \$2,800.00 = \$8,400.00
Two (2) Speed Hump Signs x \$260.00 = \$520.00
Total = \$8,920.00

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including markings is \$2,800.00 and each sign is \$260.00. Based on our Engineering Studies, a total of three (3) speed humps and two (2) speed hump signs have been proposed for W. Breckinridge Street between Dixie Highway and S. 15th Street. The total "not to exceed" cost is \$8,920.00.

Upon funding approval, the speed humps will be installed as schedule and weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Shalanna,

Please see attached statement of cost and speed hump/signage layout for W. Breckinridge Street. I received the ballots from Ms. Duncan and 70% balloting has been achieved.

The reason for the \$2,800.00 per speed hump is because W. Breckinridge Street is approximately 37 ft. in width. Any street width over 30', the cost is \$2,800.00 as appose to the normal cost of \$2,050.00.
