To adjoining property owners.

I am requesting a Conditional Use Permit (CUP) to allow me to build a single family accessory apartment.

This single family home is for my aging mother who can no longer live alone. It will be approximately 800 square feet and bricked to resemble our home.

I am holding a meeting to discuss my plans on Friday, September 22nd, 2017, 7:00 pm, at 15501 Floydview Place, Louisville, KY 40245.

Sincerely,

Tom and Leslie Lovelace
