Re: Statement of Cost for one (1) Speed Hump:
Indian Lake Drive- (1) Speed Hump x \$2,100 = \$2,100

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including signs and markings is \$2,100 apiece. A total of one (1) speed hump will be installed and the total "not to exceed" cost is \$2,100. As I understand it, the HOA and District 17 have agreed to split the cost; the HOA has agreed to pay \$1,050 and District 17 the remaining half.

Upon funding approval and receipt of payment, the additional speed hump will be installed as schedule and weather permits.

Please make the check payable to Louisville Metro Government and send to the address listed below or to Councilman Stuckel's office.
