SKILLS AND ABILITIES

Possess excellent communication skills. Able to listen to apparently opposing viewpoints and find common ground that solves problems. Experience in and with a

variety of people from richly diverse political, social, racial and ethnic backgrounds.

COMMUNICATION

A great listener with a high emotional I.Q. Starts at a place of genuine mutual respect that puts people at ease. A true problem solver.

LEADERSHIP

Whether as PTA president or resolving conflict with teenage children; able to identify priorities and set course of action to accomplish mutually beneficial goals.
