Yes, they are easement trees. Yes, funds still go to PW's. I am assuming that you will have to get approval at appropriations meeting on 18th. If you could please let me know when they are approved and funds moved to PW's, I will get the tree company out to remove trees. If I am incorrect on the fund approval process, please let me.

Thank you!

Should the funds still be appropriated to Public Works?

CW Hamilton-

There are two trees on Riverview Ave that we received service requests on. One is completely dead and the other is not far from it. Both of the residents state they cannot remove the trees for financial reason. Is there any way you could assist with NDF funds?

Based on the tree service contract that PW's has the cost will be:

Location	Species	Diameter	Health	Recommended Action	Cost Estimate
4618 Riverview	Maple	30"	Decline	Remove	\$1248.00
4627 Riverview	Elm	43"	dead	Remove	\$1920.00 ✓

A total of \$3168.00.
