By Stuarts assessment and specifications, the total price for this project will be \$ 456.96.  
If this is acceptable please provide billing information and or a cost center.  
Once we have that we will create a work order and send it to Fabrication.  
Beyond that, you're looking at about a month before it could be installed. Thanks

That's enormously helpful, Bryan!! Thank you muchly, LOL!

So, try this one on for size:

\*Note that I drew this up as a 48x24" but it can scaled to fit a 60x30" panel (or reconfigured for another size if you like).

All – The Male HS Athletic Director sent me the attached logo a couple days ago. My bad for failing to pass it along.

Male won the 6-A football championship. Is it possible to include also that they were undefeated with a record of 15-0?
