Good afternoon-

Happy Friday eve, I hope this email finds you all well. We have, unfortunately, made the tough decision to officially cancel Forest Fest that was rescheduled for Oct. 17th. With the current situation, as much as we wanted to try, we just don't feel we can safely hold the event. I wanted to check with you all and make sure you are on board with this decision and see if you had any questions or concerns?

We are trying to decide if we should make an "official press release" or just alert via social media and newsletters. Do you all have thoughts or a preference?

This makes us so sad but these are trying times and we want to keep safety top priority. Thank you all so much for your support and being so flexible and adaptable this year. We really appreciate all you have done.

Look forward to hearing from you.

Sincerely,  
Jessica
