Heather,

I estimate it at \$5,000.00. If you plan to fund, I will have our contractor repave with Westmeadow Ct when they go back out and will switch the money back once approved by council.

Alameter/Chiswell was paved a few years back which Kosene is directly off that roadway. I do not recall if and what the reasoning was for that at the time. Birnamwood, Baymeadow, and the courts off those roadways were all planned to be paved with this round of paving.

We have limited budgets so we try to get as much as we can, If D12 wants to pave Kosene Ct I can provide a quote.

Thank you very much for the update on Westmeadow Court. We really appreciate that and I know the residents will as well. Do you know why Kosene would be the only street in the neighborhood to not be paved?

Thank you,
Heather

Westmeadow was supposed to be repaved with the rest of paving, however, the contractor ran out of material. They need to come back and finish this paving and am awaiting their schedule to do so.

Kosene is not on our current list for paving.

Good afternoon, Matthew. Another individual contacted me about having Westmeadow Court paved and also mentioned Kosene Court as well. Apparently they are the two roads in that subdivision that haven't been paved. Kosene has cracks that grass is growing out of. Can you please let me know if this is on the list to be paved anytime soon?

Thank you,
Heather

Good morning, Matthew. I see Westmeadow Court listed on this paving list, showing as finished in May. A constituent contacted our office to say that the entrance to the neighborhood had been paved, but not Westmeadow Court. Do you have an estimate of when the court itself will be paved?
Thank you,
Heather
