***Re: 3 Audubon Plaza Drive
- Modified Conditional Use Permit Application***

Dear Planning Customer Service:

This letter accompanies the Modified Conditional Use Permit Application for the property located at 3 Audubon Plaza Drive (the "Subject Property"). Our client, Norton Hospitals, Inc. (the "Applicant"), is requesting a modification to an existing Conditional Use Permit for the parking structure located on the property to address parking demand and provide additional parking area/stalls.

The Applicant proposes to redevelop the existing parking structure and add parking stalls for hospital staff. The Applicant is requesting to modify Conditional Use Permit B-14-90 to better serve hospital staff, including those that require ADA accessible parking

Please have the application reviewed at your earliest convenience.

Sincerely,

A handwritten signature in blue ink, appearing to read "Cliff H. Ashburner".
