Charles,

Confirmed that this would be a Public Works project using whichever funding category you'll choose from your Council's office. I have copied Dirk to help direct one of his Engineers on this small project.

Dirk, We spoke about this at the Monday meeting this morning and James can fill you in if needed. Thank you.

Mark,

CW Green's office has requested a curb cut at the attached location. I am not sure how that process is handled but believe your group handles this type of request. Is this true? Let me know if you need anything else from me.

Mr Sparks , I entered a study in the system this afternoon for the 4100 Block of Hale Ave (SR# 4896045) The request is to see if by adding a Curb cut/Drive at the 2nd entrance of Greenwood Cemetery would possible , at the present time there is a gate opening there but no drive or curb cut . Thanks C
