CW Fowler,

I have completed the following tasks regarding the Ashby Lane New Sidewalk Project:

- Tree Removal price from Bob Ray – Scheduled for the end of April
- Easement Donation from Home Owner – Completed
- Culvert Extension cost from my contractor – Received yesterday

I am ready to make PO# and give a Notice to Proceed to my contractors, however, the final projected costs are outlined below. Beth S. has already seen these numbers:

\$10,000.00

\$35,000.00

\$5,000.00

\$48,389.96

\$13,500.00

\$33,581.77

\$3,528.27

\$55,792.27 New Appropriation

\$204,792.27 Total available

\$15,600.00 Design Cost

\$189,192.27

\$215,000.00 Latest Construction Estimate

\$25,807.73 Still Needed

Can we still move forward now with the idea that some funds can be made available by the time I get invoiced (say around July 1, 2019)?

Thanks,

NOTICE TO PROCEED

TO Bob Ray:

- This is your Notice to Proceed for tree and brush removal on Ashby Lane. PO# 323147-220 will be used for this work.
- Trees / areas were marked in the field by Adam Palmer. There should be 3 different work zones here.
- Please find attached the Grant of Temp. Easement by the Stanchin property owner and the plan set showing the limits of the easement. It is 20' off the existing fence line.
- The white fence (circled in the photo below) can be removed to access the tree removal area. Please try to not damage the horizontal boards. I hope to use a few of them to repair a different part of the fence on the homeowners property. The gate may be locked and therefore not usable to Bob Ray.
- Work can begin ASAP as weather permits.
- Please let me know when your scheduled to start/complete the work.
- Invoice to be paid upon completion and inspection of the work.

Please contact me if there are any questions or concerns,

Thanks,
