To Adjoining Property Owners:

I am requesting a Conditional Use Permit (CUP) to allow me to operate short term rental at 2311 Crittenden Dr., Louisville KY 40217.

As you may know, I have been restoring this two story, 4 bedroom, 2 bath for a while and it has finally come to a completion.

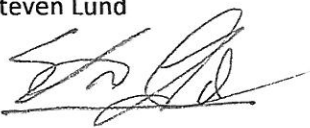

This house will be a rental and I would like to pursue short-term rentals. The websites I will be using to short-term rent this home require me to rate all the renters. If renters get a bad rating others will not rent their home to them and they in-turn can rate me and the house. This is part of the screening process. The renters have to respect the home and the surrounding area. I will also have detailed work and social history of each renter and direct contact numbers. I am spending much time and energy into restoring this home and will not rent to anyone I feel will be disruptive.

The renters will have parking spaces in the garage and on the driveway and the maximum number of guests spending the night is 10. In accordance with the Louisville Metro procedures, we have been directed to invite you to discuss this proposal. This is an informal meeting to give you the opportunity to review and discuss. The meeting will be held in addition to the established public meeting of the Board of Zoning Adjustment. Please feel free to call or text me with any questions or for any reason at all (502) 439-0347. I live with my wife close by here in Louisville.

I am holding a meeting to discuss my plan on Friday, January 25th @ 6pm at 2311 Crittenden Dr. Louisville KY 40217.

Thank you, sincerely -

Steven Lund
