Steve,

Good afternoon.

We held the neighborhood meeting last night for 2069 Preston St. Two guests were in attendance. Both guests were in support of the CUP. Questions were raised about parking and general use of the property. Guests were made aware of two parking places behind the house that guests will use. Attendees were also told about the next steps in the CUP process and what to expect. All questions were answered and everyone left happy.

Please let me know if you have any questions. We will have a copy of the attendees list when we file the formal application Thursday.

Thank you,
Jonathan
