RE: Hotel NuLu
Zoning Amendment

Dear Mr. Davis;

Please accept this letter as our explanation for our request to amend the binding element for building and site design. Since the approval of the rezoning for this project, the NULU DRO Committee has been formed to oversee all aspects of building and site design in the NULU District. Their level of review and scrutiny on projects is much greater than that of the Planning Commission and is a more appropriate venue for such reviews.

We appreciate your support in this matter. Should you have any questions, please do not hesitate to contact us at any time.

Respectfully,

725 Partnership, LLC
