John Wilmes  
Assistant County Attorney  
900 Fiscal Court Building  
Louisville, KY 40202

Dear Mr. Wilmes:

Please be advised that, pursuant to KRS 178.337(1), I have performed a traffic investigation on the attached roads or portions thereof. Since the listed roads are essentially serving the Kentucky Exposition Center and rarely, if ever, need to be maintained by Louisville Metro, I am recommending that they be detached from the Louisville Metro Road system and be transferred to the Commonwealth of Kentucky. Since these roads will be utilized by the Commonwealth of Kentucky in its future plans for the Kentucky Exposition Center, it is advisable that they be transferred to the Commonwealth of Kentucky.

Sincerely,

Jeffrey Brown  
County Road Engineer  
Louisville Metro
