4. Justification Statement

Since January we have been attempting to have this property passed as a short term rental. Instead of filing right away, we followed the requests of planning and design to turn what was a triplex into a duplex to meet the requirements. At their request we invested 30k to turn the home into a duplex, place a new driveway in the rear, and furnish the property in such a way as to serve guests visiting Louisville as well as the neighborhood around. Since we've owned the property we have reduced it from a 4 plex to a tri-plex, and now to a duplex. We own the approved CUP property next door and intend to run the houses as a singular business for the good of the city and community. We live 6 minutes away and attend to the homes several times a week. We have already reduced the number of cars, next door at 1141 brook, from an average of 10 cars to an average of 2 cars usually only on the weekend. We hope to continue to reduce the car footprint on 1139 s Brook similarly. With the demand for short term homes for rent, not solely rooms, we hope to serve the city and our future guests to quality and comfort for decades to come.
