RE: Cost of Speed Humps for Larchmont Avenue
SR # 4202667

Please consider this letter as our official Statement of Cost for all speed hump related work. Each speed hump, including signs and markings is **\$2,100** apiece. Based on our Engineering Studies, a total of two (2) speed humps have been proposed for Larchmont Avenue between 7th Street Road and Lindbergh Drive. The total "not to exceed" cost is **\$4,200**, and as I understand it, you have offered to fund the entire amount.

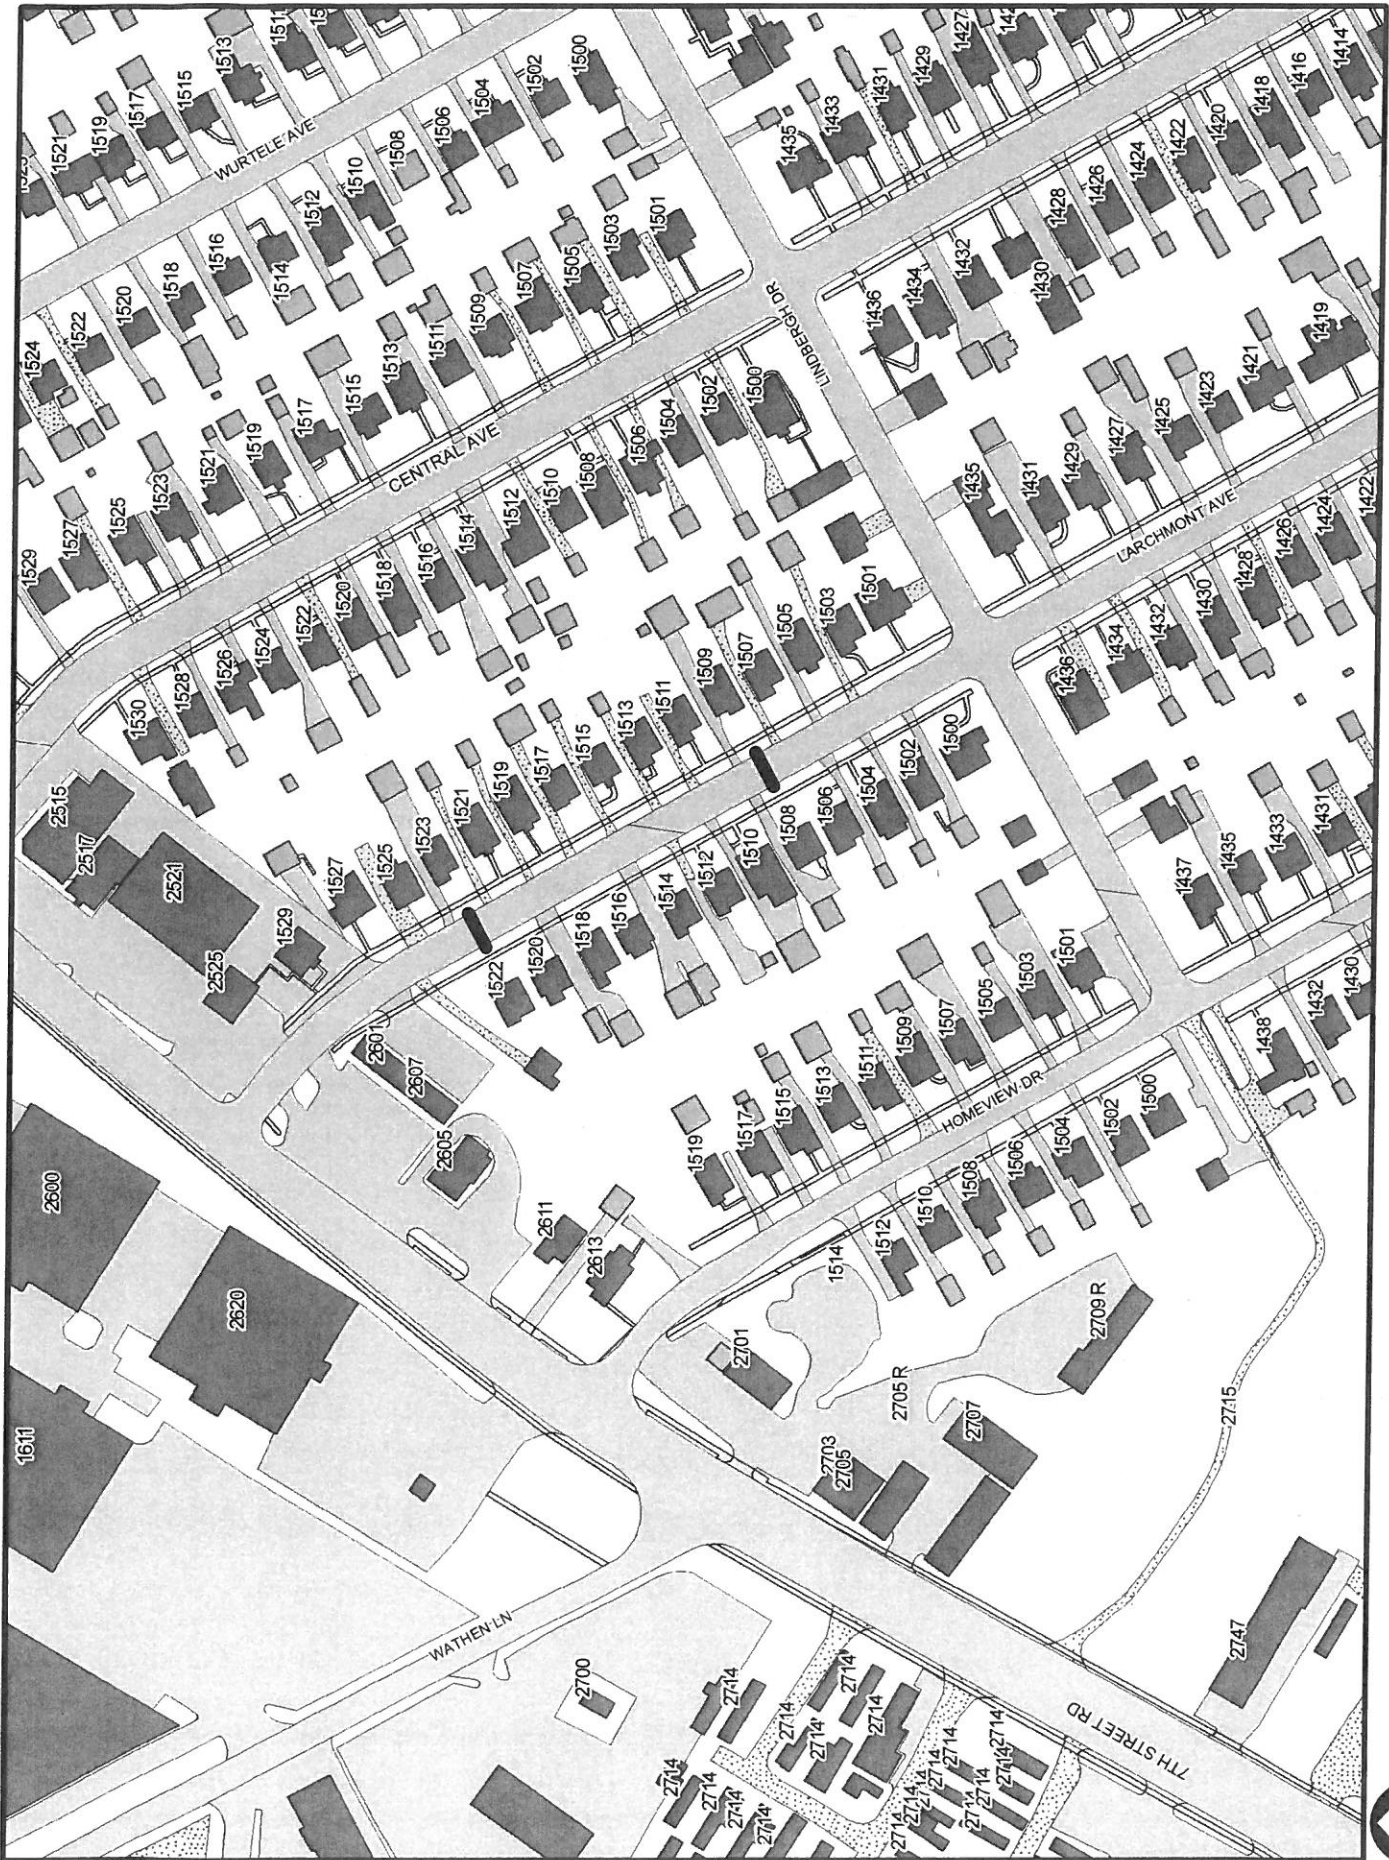

Upon funding approval, the speed humps will be installed as weather permits.

Please let me know if you have any questions. You may contact me at 574-3882.

Sincerely,

Gregory A. Dow
Traffic Engineering
