Charles,

Here is the estimate for these addresses. I'm going to ask Erin Thompson to inspect these two trees and the tree at 3314 Hale Ave. If we can save these trees we'll be able to save some money. So you may want to wait to appropriate money for this address and the sidewalk at 3314 Hale Ave.

Stella,

The sidewalk is in good condition with the exception of the abandoned gas valve. I'm going to send it to LG&E to repair themselves.

The curb is in bad shape but currently there are no funds available to repair the curb, unless Councilwoman Green is able to fund the repair. I included an estimate below if she has funds available.

I submitted a couple SR on 1445 Olive Street , broken curb /sidewalk some time ago and checking on its status . I believe we spoke about this one because a citizen was injured at this location due to the curb , according to the property owner the damage was caused by a PW vehicle cleaning the street ? can you look into this and let me know what you find .

Thanks C

Charles,

For this address I am waiting on LG&E to respond regarding the gas line at this location. Before U Dig can't find the gas line at this address, supposedly because LG&E didn't install a tracer wire with the plastic gas line. I sent LG&E an email in July but I haven't heard back yet. I sent them another today. I'll keep you up to date as we get closer to construction.

But here is the estimate for the repair.
