Subject: June 20 Appropriations agenda, Item 8

I will be asking that item 8 on the June 20th agenda for Decorative trash cans in District 5 be amended on Wednesday from a total of \$11,464 to \$19,238 District 5 CIF for these three historic neighborhoods.

The amended changes will reflect a total increase for Portland from 14 to 17 decorative cans; for Shawnee from 3 to 11 decorative trash cans, and adding 3 cans for the historic Russell neighborhoods. The number of additional liners will remain unchanged.

The sites for the cans have been submitted to and approved by Public Works and will be submitted to the Clerk prior to the meeting for the record.

Thank you!
Cheri

Councilwoman Hamilton,
Cost for decorative cans is \$8,970.00 . I can get a liner for each, so you might need spares later on. They are \$140.00 each. I'm checking on the service route for each now.

I'm copying Mr. Jeff Brown so he can have an inspector check each location to ensure proper clearance and for a suitable surface for mounting.

I need to order some additional decorative trash cans and liners for the Portland neighborhood. Please prepare an invoice to advise how much money I should appropriate for this purpose. I assume that these locations are on routes that SWMS will pick up the trash cans once a week.

The 14 locations are:

- SE Rudd and Cedar Grove Court
- SE 26th & Montgomery Ave.
- SE 29th & Bank St.
- SW 26th & Northwestern Parkway
- SE 26th & Bank
- NW 27th & Portland Ave.
- SW 29th & Portland Ave.
- SW 26th & Cornwall
- NE 33rd & Bank
- ~~SW 26th & Cornwall~~
- NE 33rd & Bank
- SW 36th & Northwestern Parkway
- NE 27th & Northwestern Parkway
- SE 22nd & Portland
- NW 26th & St. Xavier

I would like to order 8 decorative trash cans for the Shawnee neighborhood. I will give you the locations on Monday. I would like to include the amount in with the appropriation I have already filed for the 14 cans for the Portland neighborhood. Please respond with the price for the 8 trash cans.

Thanks!

Councilwoman Hamilton

Please see enclosed notes. All locations are marked in field. Some location had directions incorrect, please let me know if these are okay. Several locations will require pads to be poured.

1. 35th on Broadway by the Walgreens on the NE corner. Walgreens is on SE corner has can at bus stop & NE corners already have trash cans. Location marked at SE corner, but bus stop trash can will remain.
2. Longworth on Market - NE corner. Okay marked on sidewalk.
3. 44th on Market -NE corner by the bench. Bench is across from 44th between Glendora and 43rd. Marked in field.
4. 43rd on Market - NE corner. Okay marked in field.
5. 42nd on Market - NE corner. Okay marked in field. Will need pad poured.
6. 41st on Market - by the bench on the SE side Okay marked in field.
7. Shawnee Terrace on Market - by the bench on the SW corner. Okay marked in field.
8. 40th on Market - NE corner. Okay marked in field.

Please check out the locations below and see if there is a suitable location for trash Cans. Pictures of the locations with any notes pertaining to the suitability and location of a trash can would be helpful.

I have 3 additional requests for decorative trash cans in the Shawnee neighborhood for an additional \$1,794.00 to be added to the appropriation for: 43rd and Vermont; 40th & River Park Drive; and Amy and Market. I'm not sure of the corner direction (SW, NW, etc.) but I believe they are requested at bus stops.
