Denise Bentley, Legislative Assistant for District 5, stated that there was confusion initially when asking for sponsorship. The funding in this request is for the basketball court only and does not include the cost of the mural. The entire concept for this project came from Russ Smith, a University of Louisville basketball player, who is now a professional athlete, and also from Nick Wilson, an attorney in Louisville. The mural will be done by artist Jaylin Stewart with keeping the co-existence expression in mind as the theme. Several businesses have stepped up with sponsorship for a state-of-the-art security system, national sports companies have also donated knowing of the campaign of Russ Smiths' "Picking Up A Ball Instead of Picking Up A Gun". A corporation for the little league teams donated funds for the scoreboard. A major sporting company has donated the backboards and brake away rims. District 5 is currently looking for a major sponsor to fund lighting for the park. This is a great project for the area, in hopes of it becoming known nationally. People driving on Interstate 64 will be able to see the park from a distance. There are several Council Members still seeking sponsorship in their districts.
