Dear Recipient:

I'm writing to apply for a conditional use permit for a short-term rental of my recently purchased property at 222 S. Spring St. I'm a Louisville native who lives out of state and recently purchased the home to have a place to stay while visiting my family over the summer and holidays. In order to offset the expense of my mortgage while I'm away, I'd like the opportunity to list my property on Airbnb. I will maintain strict regulations to ensure that any guests are respectful to my neighbors and the community at large. I look forward to your thoughts on the matter and am hoping for the best.

Sincerely,

A handwritten signature in black ink, appearing to read 'Mark Borum', with a long horizontal flourish extending to the right.
