My name is William Phillips I'm the president of The Louisville Broncos Youth Sports Program. The reason we chose the name "youth sports program" and not "football league" is because we offer more for our kids. We have been in existence since 2011 and we offer basketball, baseball, cheerleading, football and track.

We have 5 football championship appearances, 3 undefeated football championships, 2 cheer league championships 2 cheer NATIONAL championships, 2 basketball championships and 10 baseball championships. We play in the (LYFL) Louisville Youth Football League which consist of 24 teams 500 coaches and 3500 young men and women that WE as a community call "THE FUTURE".

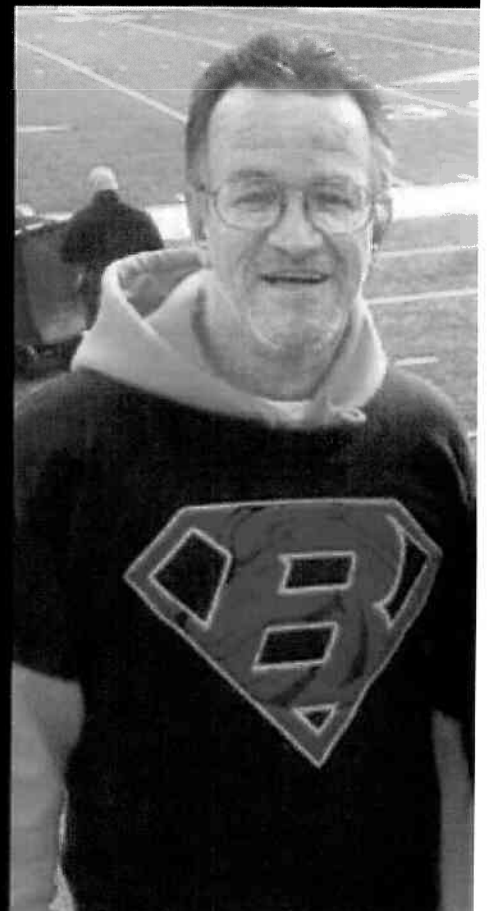

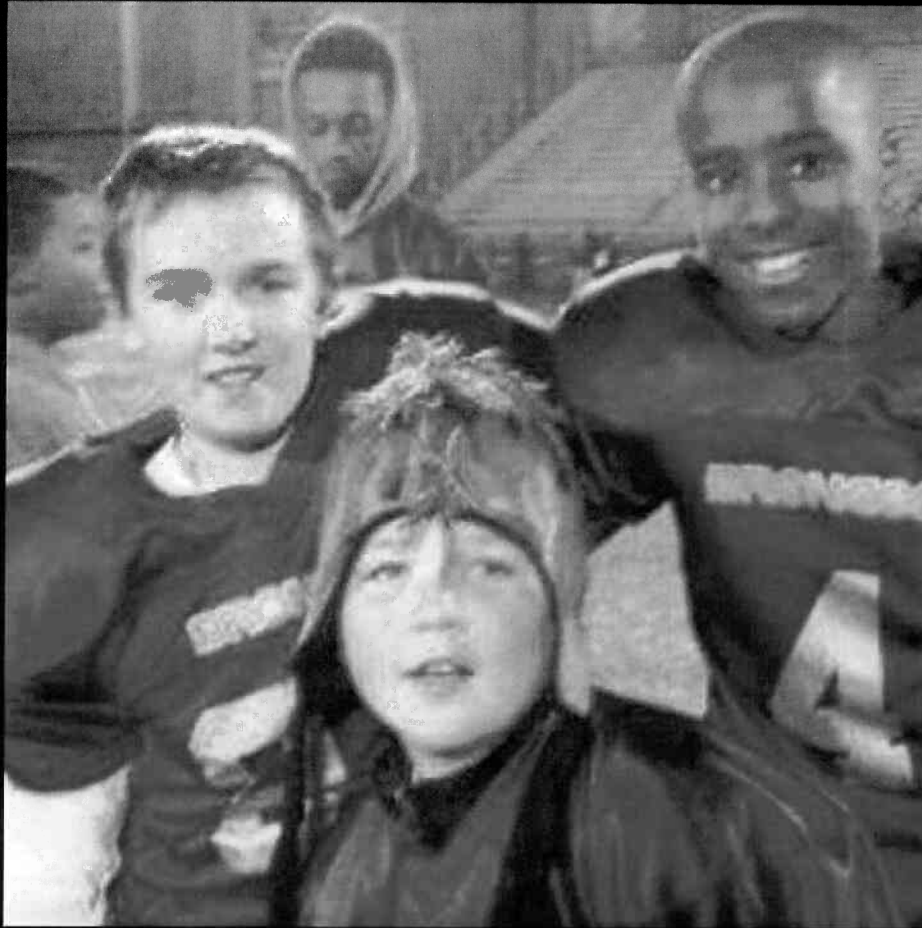

Our league is a non-profit league, all parties involved take time out of our day to volunteer a service for the community to teach young men and women theres a different way.

The age I like to help with is seniors (12-14yrs old) This is the age were boys become men. The age were you are met with the fork in the road... you can either chose to go left or right. This is the age were you know everything and at this age I had to find out the hard way myself.

The city is getting tougher by the day and more kids are being locked up by the minute. A lot are out here without guidance or anyone to even care... Im just trying to do my part and hopefully change someones life... you never know what someone is going through and this can really help with being a stress reliever or a way out... even if only for 2 hours a day.

We really try to treat everyone like FAMILY.

BBQ gatherings, easter egg hunts, and trick or trunk parties all FREE for the kids with help from people in the community, coaches and

parents
