EMPLOYMENT EXPERIENCE

Project Lead, US Army, Fort Knox, KY

06/2018 – Present

- Coordinate and synchronize the Army's Accession Information Environment (AIE) project to automate and modernize technology for recruiting and retaining the best-qualified talent to meet Army workforce needs. Facilitate agreements between the Project Management Office Team, stakeholders, and human resource personnel in major Army commands, training centers, Army Reserves, and the Army National Guard.
- Guide AIE project forward, ensuring adherence to project management standards and compliance of all acquisition regulations to achieve milestones on time, within projected budgets, and contract specifications.
- Ensure the AIE end product is a culminating enterprise solution which leverages cutting-edge technologies, maximizes mobility, and provides leadership with instant Army-wide human capital investment information.
- Proactively facilitate positive organizational change and growth to improve security of all accessions data and ensure infrastructure compliance with laws, regulations, policies, and best practices.
- Represent all accessions customers' interests when interfacing with service providers and external entities.
- Provide leadership, supervision, and guidance to four personnel in producing high quality work products.

Group Commander, US Army, Joint Base Lewis-McChord, WA

07/2015 – 06/2018

- Directed the Army's largest Criminal Investigation Detachment (CID) Group, consisting on four battalions, a field office, and 23 detachments/CID offices providing felony-level investigative support to military units.
- Led, directed, and supervised 64 military and civilian staff personnel conducting investigative operations.
- Provided fiduciary oversight in the administration and execution of an annual budget worth over \$7 million.
- Demonstrated fiscal responsibility in the management of \$18 million worth of Army equipment, property, personnel administration, information management and legal support.
- Headed the US Army Criminal Investigation Detachment Command's execution of strategic guidance and plans, ensuring their application consistency.
- Provided sound advice and recommendations Commanding General of the US Criminal Investigation Detachment Command on priorities for programming decisions and budget execution.

Executive Officer, US Army, Joint Base Lewis-McChord, WA

08/2014 – 07/2015

- Served as the Executive Officer and principal advisor to the I Corps Commanding General (CG).
- Directed a staff of six military and civilian personnel who provided advice and technical expertise to the CG.
- Led the Commander's Initiative Group in the conduct of operational design to transform the Commander's strategic vision into an operational approach for the subordinate commanders and corps staff.
- Coordinate with the Deputy Commanding Generals, Corps Command Sergeant Major, Chief of Staff, and Mission Support Element Director to ensure CG's vision was clearly communicated and understood.
- Facilitated coordination and assistance for the CG with other Army major command senior leadership, US Congress members, state and local leaders, host nation counterparts, and join/interagency teammates.
- Fostered a climate of trust, competence, character, and mutual respect.
