Dear Mrs. Elmer Lucille,

As President of West Louisville Women's Collaborative, Inc., I am writing to request that your property at 3835 Hale Avenue, our "ELA House," be properly zoned to meet the needs of our non-profit organization. WLWC's mission is to create and sustain artistic, peaceful spaces in the west end of Louisville. An attached sheet outlines WLWC's goals and current activities, many of which take place at ELA House.

It is our understanding that you have started an application for a Conditional Use Permit for a private non-profit club; the case # is 19CUP1113 for Council District 1. We thank you for your attention to this matter and for ensuring that we have the necessary permits to fully utilize the property we rent from you. We are grateful for the use of this beautiful space to further our mission.

Sincerely,

Mariel Gardner,
President WLWC, Inc.

You do not need to be a member to participate in events but dues help maintain ELA House and pay for event materials.
