Scope of Work
Louisville Metro Public Works
Survey of Boundary and Alley Right of Way
278 & 300 Claremont Avenue

PROJECT OVERVIEW: Louisville Metro Public Works (LMPW) contacted URS regarding conducting a survey for the addition of an alley between 278 and 300 Claremont Avenue.

SCOPE OF WORK

URS subconsultant, BTM Engineering Inc. conduct a field survey to establish the property boundary lines for the parcels of land comprising 278 Claremont Ave. and 300 Claremont Ave. in Louisville, Kentucky. In addition, the alleys between these two parcels and in the rear of the parcels shall also be surveyed and established. Boundary lines shall be based on deeds of record, recorded plats and existing monuments. The boundary line between each parcel and the alleys shall be marked and monumented in accordance with "The Standards of Practice (Boundary Surveys)" (201 KAR 18:150) as established by the Kentucky State Board of Licensure for Professional Engineers and Land Surveyors. A plat showing the monuments found and set during the course of the boundary survey, shall be prepared. Survey coordinates will be based on the KY Single Zone System using US Survey Feet.

All work will be performed in accordance with the terms and conditions of URS contract #249942.

SCHEDULE

Field Survey	10 Days from NTP
Complete Field Survey and mark property corners	15 Days from NTP
Submit Plat Survey	21 Days from NTP

DELIVERABLES

An original and one copy of the easement plat will be provided to LMPW for recording with Jefferson County Clerk's office.

FEE

The total fee proposal on a lump sum basis for the project is **\$3,755**.
