Dear Southwest Councilpersons,

I purposely addressed this letter to you as a cohesive, united group. As one mean machine, you have helped Southwest Community Ministries (SWCM) lessen the effects of poverty on our dear neighbors. Banning together, you continue to be an awesome partner with Southwest Community Ministries in lessening the grips of poverty. Poverty that steals the quality of life from our neighbors.

A major step in improving the lives of your constituents'/our clients' lives was when you helped SWCM purchase our two magnificent buildings. Soon SWCM will be holding a gathering for all who helped to purchase our building and you will be at the top of our invitation list. We want to show you how the buildings have been beautified, made more efficient, and how these buildings have allowed us to expand our hours of service. You also helped us with a protein grant last fiscal year which put protein-rich foods into the hands of our children and elderly.

Now for some exciting NEW news. We are going to add educational programs to our list of services for our neighbors. We especially want a focus on financial literacy so we can enable our neighbors to lift themselves from poverty to stability. As a former WHAS/Excel Award winner in the field of teaching, I understand the importance of education and would like to enrich the lives of our clients with life changing classes. With a focus on education, I am humbly requesting each of you donate \$1,500 to our annual fundraising dinner. This would total \$6,000 which would earn you a spot as a gold sponsor. I have enclosed a sponsorship sheet to show the perks of being a gold sponsor. Together, you would earn 16 seats for diners, a full-page ad in our dinner program, be added to SWCM's wall of elite sponsors, be showcased as a gold sponsor level in our media show, and be featured in our quarterly newsletter. Each of you would also receive an engraved recognition plaque for your workplace.

Together we can educate, feed, warm, cool, and take care of the medical needs of our neighbors. Please consider banding together to make a monumental change in our Southwest Community. It's a legacy that, together, we will be proud to have created.

Sincerely,

Brenda Mattingly
Executive Director
