Secretary Larry Hayes
Project Manager
Kentucky Cabinet for Economic Development
300 West Broadway
Old Capital Annex
Frankfort, KY 40601

Dear Secretary Hayes:

Louisville Plate Glass is requesting Kentucky Business Investment inducements by the Kentucky Economic Development Finance Authority Board.

I support the company's expansion for the purpose of increasing jobs and production. Louisville Metro supports this project and an occupational tax contribution of 1%.

We look forward to final approval of their application. Thank you for your assistance.

Sincerely,

Greg Fischer
Mayor
