GENERAL NOTES:

1. There shall be no commercial signs in the right-of-way.
2. Site lighting shall not shine in the eyes of drivers. If it does it shall be re-aimed, shielded, or turned off.
3. Construction fencing shall be erected prior to any construction or grading activities preventing compaction of root systems of trees to be preserved. The fencing shall enclose the area beneath the drip line of the tree canopy and shall remain in place. No parking, material storage, or construction activities shall be permitted within the fenced area.
4. Mitigation measures for dust control shall be in place during construction to prevent fugitive particulate emissions from reaching existing roads and neighboring properties.

MSD NOTES:

1. Construction plans and documents shall comply with Louisville and Jefferson County Metropolitan Sewer District Design Manual and Standard Specifications and other local, state and federal ordinances.
2. Sanitary sewer service will be provided by connection and subject to applicable fees. A Downstream Facilities Capacity request will be submitted to MSD.
3. No portion of the site is within the 100 year flood plain per FIRM Map No. 21111 C 0018 E dated December 5, 2008.
4. If the site has thru drainage an easement plat will be required prior to MSD granting construction plan approval.
5. MSD Single Family, Demolition, or Small Commercial Permit required prior to issue of building permits.
6. All retail shops must have individual connections per MSD's fats, oil and grease policy.
