

Amar Khadey

Owner & CEO at Taurus Companies

Experience

Owner & CEO – Taurus Capital Management

March 2004 – Present

Work with new and existing tenants in developing a comprehensive approach to real estate leasing, from target mapping, investment strategies, market analysis and investment return and cost control management.

Work and developed a real estate portfolio of over 500,000 sq ft of space from office, retail and multi-family properties, based on a successful metric used to calculate cash flow, ROI and greater yields than the average returns.

Currently manage, operate and own \$40M in property value.

Chief Operating Officer – YMCA Greater NYC

August 1993 – May 2000

It was probably one of the best life teaching jobs in one of the best cities in the world. I came to learn and was literally exposed to many different cultures and people. The job taught me about real estate in the big city as well as a customer service in the most challenging situations. Great experience!
