Subject: Sidewalk Repairs Question

Hi Cindy,

I'm going to go ahead and schedule the sidewalk repairs that are going before the appropriations committee on the 16th of May.

Could you ask Councilwoman Fowler if she is able to appropriate an additional \$2,000 (a little bit less than the amount that was just released back) to cover the different I have on some other repairs I've trying to get finished in District 14? As part of these repairs we are installing a curb at 5400 Jessamine Ln that would make this sidewalk safer for kids walking home from school. This \$2,000 would help pay for this curb among other sidewalk repairs in D14.

Thanks!
