LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

SECTION 3 – AGENCY DETAILS

Describe Agency's Vision, Mission and Services:

The mission of the Fund for the Arts is to maximize the impact of the arts on economic development, education, and quality of life for everyone by generating resources, inspiring excellence, and creating community connections. The Fund serves as a connector, convener, and driver of collective action and social impact across Greater Louisville's cultural sector.

The Fund promotes and facilitates collaborative initiatives among arts organizations to best leverage expertise and resources in support of a stronger community and a thriving arts scene. In FY2017, two years of work on a regional Arts Master Plan culminated with the release of Imagine Greater Louisville 2020. The Imagine plan centers on five strategic priorities: 1) Access to arts and culture for all people, 2) Enhancing outcomes in Education, 3) Cultivation of artists and arts organizations, 4) Promotion of Greater Louisville's arts and culture sector, and 5) Advancing Diversity, Equity, and Inclusion in the arts. Imagine Greater Louisville 2020 was developed in collaboration with many arts and cultural organizations, Louisville Metro Government, Greater Louisville, Inc., One Southern Indiana, University of Louisville, Spalding University, Jefferson County Public Schools, Louisville Urban League, the Arts & Cultural Alliance, and the Community Foundation of Louisville, artists, and other corporate and civic partners.

The Fund for the Arts collaborates with many of those same civic organizations (specifically the Mayor's Office, the Arts & Culture Alliance, and Louisville Free Public Library) to administer the Cultural Pass program, which provides free summer learning experiences for children and families. In 2019, the Cultural Pass led to 40,099 visits (up 13% from 2018) to 59 (up 30% from 2018) participating venues. The Cultural Pass benefits from a leading sponsorship from Churchill Downs, which also sponsors and hosts the Fund's annual Awards in the Arts to celebrate artists and arts organizations. Other partnerships and initiatives represent a shift in the Fund's role in the community toward serving as a connector and facilitator between arts and non-arts organizations. In 2019 we served 95 organizations, as well as increasing the number of grants made to 742 in support of artists, creatives, schools, libraries, and community centers.

The Fund also maintains leading roles in the cross-sector Imagine Greater Louisville 2020 steering committee and subcommittees for each strategic priority, which continue to help activate the Imagine plan through initiatives such as 1) training for the local arts community in diversity, equity, and inclusion, 2) developing new partnerships with hotels and hospitality venues, and 3) expanding the Cultural Pass to encompass the region. Also, the Fund provides promotion for Greater Louisville's arts and culture sector through the Louisville Arts Link mobile app and provides board and volunteer development through the NeXt and Volunteer Match programs.

Our work centers around increasing cultural access and participation among underserved populations, to create more arts experiences for more people in more places, including nontraditional spaces such as community centers, libraries, parks, health care facilities, schools, and public spaces. To expand cultural access and diversify our community impact, the number of artists and organizations we serve continues to grow through grantmaking, collaboration, convening, and other forms of sector-wide leadership. The Fund works with hundreds of local artists in various ways throughout the year. In fact, the Fund indirectly supported: 3,300 artists and arts administrators trained through us and arts partners, 2,200 paid artists and arts administrators through us and arts partners, 114 organizations supported, 95 of which are arts and culture organizations, and provided 77 artists and arts administrators with grants.

SECTION 5 – PROGRAM/PROJECT NARRATIVE

A: Describe the program/project start and end dates, a description of the program/project and applicable data with regards to specific client population the program will address (attach related flyers, planning minutes, designs, event permits, proposals for services/goods, etc.):

Project start date: ~~April 1, 2020~~ ^{May 5, 2021} - Project end date: ~~June 30, 2021~~ ^{July 31, 2022}

Fund for the Arts respectfully requests \$25,000 to create a community theatre and arts space in a vacant store front in the Outer Loop Plaza. This project fosters a more connected, vibrant, and healthy community by: 1) Expanding access to the arts for District 23 residents. 2) Building the capacity and sustainability of arts organizations. 3) Fostering economic development in the district.

This project has multiple phases: 1) Planning and partner identification - Surveying the local performing arts community to determine their needs for rehearsal and performance space; creating an operational plan and budget; determining what physical improvements need to be made to the space that it safe and audience-friendly. This phase is currently under way. 2) Renovations and improvements - Make necessary improvements to the space (for example, bathroom renovations, painting, new carpeting, etc.) 3. Opening and operating - Begin hosting theatre and performing arts productions in the space.

The theatre space would be a resident theatre for some local groups as well as a space that other local arts organizations can rent to hold productions where neighborhood residents are the targeted audience (i.e., a theatre company located downtown could host a performance of a touring show in the space).

B: Describe specifically how the funding will be spent including identification of funding to sub grantee(s):

Funds will be used to cover start up programming expenses, including securing the space, and launching productions and events.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

C: If this request is a fundraiser, please detail how the proceeds will be spent:

Not applicable

D: For Expenditure Reimbursement Only – The grant award period begins with the Metro Council approval date and ends on June 30 of Metro fiscal year in which the grant is approved. If any part of this funding request is for funds to be spent before the grant award period, identify the applicable circumstances:

- The funding request is a reimbursement of the following expenditures that will probably be incurred after the application date, but prior to the execution of the grant agreement:
- ✓ If selecting this option, the invoice, receipt and payment documentation should not be available as of the date of this application.
- The Grantee will be required to submit financial reporting in accordance with the reporting schedule provided in the grant agreement.

- Reimbursements should not be made before application date unless an emergency can be demonstrated by the primary council sponsor. The funding request is a reimbursement of the following expenditures (attach invoices or proof of payment):
- ✓ Attach a copy of invoices and/or receipts to provide proof of purchase of activities associated with the work plan identified in this application.
 - ✓ Attach a copy of cancelled checks to provide proof of payment of the invoices or receipts associated with the work plan identified in this application.

LOUISVILLE METRO COUNCIL NEIGHBORHOOD DEVELOPMENT FUND APPLICATION

E: Describe the program's benefits to those being served (measurable outcomes). Include the program's process for collecting data and the indicators that will be tracked to measure the benefits to those being served:

Arts participation is a driver of overall health and wellbeing for individuals and communities. People who participate in the arts are more engaged citizens - they are more likely to vote, volunteer, and attend other community events. Arts participation also decreases isolation and builds stronger social connections, contributing to greater feelings of community attachment.

Outcome 1: The number of participants who attend performances at the new theatre space.

Art is vital to creating a vibrant and well-connected community. Whether people are engaged in its creation or have the opportunity to experience it together, public art brings people together and sparks conversation. Bringing art to a neighborhood, rather than only encouraging residents to travel downtown to the traditional arts district, is a key strategy for increasing participation in the arts. According to research by the Urban Institute, three of the top four places where people attend arts and cultural events are community venues (i.e., parks, schools, places of worship, etc.) rather than conventional arts venues.

Public art, particularly public performances, also spurs economic development in a community. Audience members at performances are more likely to visit and purchase items from nearby businesses.

Outcome 2: Ticket sales and concessions revenue generated by performances.

Outcome 3: Rental income earned by the theatre space (i.e., revenue generated by renting the space to local theatre and performing arts organizations to host events and performances).

Outcome 4: Growth in contributed income for the space's resident theatre companies.

F: Briefly describe any existing collaborative relationships the organization has with other community organizations. Describe what those partners are bringing to the relationship in general and to this program/project specifically.

The Fund promotes and facilitates collaborative initiatives among arts organizations to best leverage expertise and resources in support of a stronger community and a thriving arts scene. The Fund provided support to more than 90 arts organizations, including program grants, matching grant opportunities, and an expanded pool of 23 recipients of \$3.5 million in Sustaining Impact Grants (general operating support). The Fund for the Arts collaborates with many civic organizations (specifically the Mayor's Office, the Arts & Culture Alliance, Jefferson County Public Schools, and Louisville Free Public Library) to administer the Cultural Pass program, which provides free summer learning experiences for children and families. In 2019, the Cultural Pass led to more than 40,000 visits to 59 participating venues (museums, arts/culture organizations, outdoor venues).

Specific partners for this project are currently being identified.
