Good Morning Susan,

I hope you are doing well. I wanted to send you a quick note to let you know we have received word that the Kentucky Historical Society has approved our application for the historic highway marker for the Roscoe Goose House!!! Attached you will find a copy of the approval letter, along with the invoice for payment. Can you let me know if there is anything additional you need from me to issue payment for the marker?

Also, I am not sure how involved Councilwoman Butler would like to be in planning the dedication ceremony for the marker.

Just let me know how I can assist.

Thank you again for all of your support throughout the process.

Dear Ms. Darr:

The Kentucky Historical Society was thrilled with quality of applications we received in September. After review by our advisory committee, we have approved the applications that, we believe, will be excellent additions to the Kentucky Historical Markers. I am happy to report that the Roscoe Goose topic was approved.

I have enclosed an invoice for the marker. As soon as we receive payment, we will begin the process of verifying the research and editing the text. Keep in mind that we may request more information from you during this process. Once we have a draft of the text ready, we will send it to you for your approval. When both you and KHS have approved the text, we will have you sign off on it and the marker will be ordered.

It takes 6-8 weeks from the time the marker is ordered, until it is delivered to the DOT facility in your district. Please keep that in mind as you are planning the date for the marker dedication. I have enclosed information about planning the dedication, as well as the dedication worksheet. Please complete the form and return 30 days prior to the dedication.

If you have any questions in the meantime, feel free to shoot me an email (andrew.patrick@ky.gov).

Sincerely,

Andrew Patrick, PhD
Community Engagement Coordinator

Mr. Brown: The message below describes an opportunity for the placement of a highway marker honoring a Louisville Landmark, The Roscoe Goose House in District 15. The address is 3012 S. 3rd Street. Councilwoman Butler is requesting funding be transferred to Public Works for payment upon completion of the project. Please let me know your thoughts.

Thank you the consideration.

Susan

Hello Councilwoman Butler,

I hope you are doing well. Today I had the opportunity to talk with Susan Hughes about the possibility of your office sponsoring a historical highway marker for the Louisville Landmark, Roscoe Goose House, located in your district. Myself and another volunteer are willing to research, write and submit the application to the Kentucky Historical Society if this is something you are willing to consider. The cost of the marker is \$2,500.

One of the really neat things about adding a highway marker to your district is combining it with the two you already have in close proximity (Churchill Downs and the Wheelman's Bench) along with several additional markers in Councilman Johnson's District and Councilwoman Welch's District, will give us the number of historical highway markers necessary to be eligible to apply for the Explore KY History Smart Phone App sponsored by the Kentucky Historical Society. The app takes the stories behind a group of historical markers and adds pictures and talking points to turn it into a tour. The focus of the phone app would be our South Louisville historical assets.

I am one of the folks that worked on the historical highway marker application for the Iroquois Amphitheater several years ago when you sponsored it along with some of the other South End Council Members. Based on the rich history of Roscoe Goose's career and his contributions to the horse racing industry, I am pretty confident that we can put together a successful application.

Thank you for your consideration.

Sincerely,
Stefanie Buzan

Trying to work with Public Works to see if they will accept funding. Who exactly gets the \$2,500?

Hello Susan,

The Roscoe Goose House is located at 3012 S. 3rd Street. The proposal would be to place the sign on the easement in front of the house. Is it looking like it might be a possibility? :) My fingers are crossed.

Sincerely,

Stefanie

Ms. Buzan. I need to know the exact address of where the marker will be placed.

Thanks, Susan

Thank you so much! I think it would be a lovely addition to your district and tie in w the community phone app! If you can keep me updated on the status of the request, if we are definitely a go, perhaps we can prepare the application for the fall deadline.
