Ben,

Can you or Dudley send this through Legistar? Beth is looking for it. Downard is the sponsor. Let me know if you have questions.

Thanks,  
Aaron

That would be great. Debbie Carroll in D16 will move it through once it is there. I revised it some (took off the note about the section you added and the reference at the bottom of the name of the document (it was from a previous ordinance))

Otherwise the attached is ready to go.

I no longer have rights, but Aaron can get someone in budget to enter this if it is acceptable. It would still need D16 to approve it though (I believe).

I spoke with CM Downard—attached is the draft he requested for filing on Monday. Please review and if ok, I'll let you handle getting it to County Atty/Legistar.

Thanks,  
Daniel

Daniel, this is the electronic version of the ordinance we discussed today. We look forward to moving forward on this project.
