REQUEST

Conditional Use Permit to allow short term rental of a dwelling unit located within the TNZD (LDC 4.2.63)

CASE SUMMARY / BACKGROUND

The applicant proposes to conduct short-term rentals of a dwelling unit at the site. As the site is located within the TNZD, a Conditional Use Permit is required. A CUP with conditions was approved on September 9, 2019. However, the applicant failed to meet the condition to register the property within 30 days of approval.

The site is located on the west side of S. Brook Street between E. Magnolia and E. Burnett Avenues. It and all adjoining properties to the south, east and west are zoned TNZD within a Traditional Neighborhood form district. Properties to the north and west are in multi-family residential use; properties to the south and east are in single-family use.

The residence contains two dwelling units. The unit occupying the first floor and second floors is the owner’s primary residence. An efficiency unit occupying the third floor will be used for short-term rental; LDC regulations permit up to two guests. The previous CUP includes a Condition of Approval which required the property owner to reside in the other dwelling unit. This application will require the same Condition of Approval.

LDC regulations credit the street frontage with one parking space. A two-vehicle garage located off the rear alley will not be available for guest use.

STAFF FINDINGS

Based upon the information in the staff report and the testimony and evidence provided at the public hearing, the Board of Zoning Adjustment must determine if the proposal meets the standards established in the LDC for a Conditional Use Permit.

TECHNICAL REVIEW

No technical issues remain to be resolved.

STANDARD OF REVIEW AND STAFF ANALYSIS FOR CONDITIONAL USE PERMIT

1. Is the proposal consistent with the applicable policies of the Comprehensive Plan?

STAFF: The proposal is consistent with Comprehensive Plan policies.

2. Is the proposal compatible with surrounding land uses and the general character of the area including such factors as height, bulk, scale, intensity, traffic, noise, odor, drainage, dust, lighting and appearance?

STAFF: When appropriately managed, the proposed use is compatible with surrounding development and land uses. No exterior construction or alterations to the building or the site appear to be required.

3. Are necessary on-site and off-site public facilities such as transportation, sanitation, water, sewer, drainage, emergency services, education and recreation adequate to serve the proposed use?

STAFF: The subject property is served by existing public utilities and facilities. The proposal does appear to create substantial additional requirements for the site.

4. Does the proposal comply with specific standards required to obtain the requested conditional use permit?

4.2.63 Short Term Rental Term Rental of a dwelling unit that is not the primary residence of the host in a R-R, R-E, R-1, R-2, R-3, R-4, R-5, U-N, R-5A, R-5B, R-6, R-7 or R-8A district and Short Term Rental of any dwelling unit in a TNZD district

A short term rental of dwelling unit that is not the primary residence of the host in a R-R, R-E, R-1, R-2, R-3, R-4, R-5, U-N, R-5A, R-5B, R-6, R-7 or R-8A district and a short term rental of any dwelling unit in a TNZD district may be allowed upon the granting of a Conditional Use Permit. The provision shall not apply to a property in the TNZD district which required a conditional use permit even though it is the primary residence of the host.

STAFF: As of the date of this report, there are three properties with an approved conditional use permit for short term rental of a dwelling unit located in the TNZD within 600 ft of the subject property (see Attachment 3). However, one of the approved conditional use permits is host-occupied. The Board granted relief in the previous approval of this case.

- E. The building in which the dwelling unit is located shall be a single-family residence, duplex, or condominium. If the short term rental is a condominium unit, the condominium unit must be the primary residence of the host. All conditional use permit applications for the short term rental of a condominium unit shall include evidence showing the applicable condominium association has taken action to approve the short term rental of the subject condominium. The evidence shall be provided in the form of minutes from an officially called meeting of the applicable condominium association board where in all condominium would be discussed and a majority of the board members voted in favor of permitting/allowing the short term rental of the subject condominium. In addition to notification required by Chapter 11 Part 5A, an applicant for a short term rental within a condominium shall provide notice of the Conditional Use Permit public hearing to all condominium owners within the association. Proof of notification shall be by way of affidavit. This provision shall not be waived or adjusted.

STAFF: The building is a duplex residence.

- J. If the property is subject to two (2) or more substantiated civil and/or criminal complaints within a twelve (12) month period, the Planning Director may revoke the approval. When the Planning Director revokes an approval under this section, the owner and host shall be notified of the revocation and shall have thirty (30) days in which to request an appeal before the Board of Zoning

Adjustment. If no appeal is requested, the revocation shall become final on the thirty-first (31) day after the initial action by the Director. Civil complaints include, but are not limited to, reported violations of building, safety, property maintenance, nuisance, health and sanitation, fire, electrical, plumbing, and mechanical codes. Criminal complaints include, but are not limited to, reported drug activity, theft and criminal mischief.

STAFF: The applicant has been informed of this requirement.

- K. Prior to commencement of any short term rental on the subject property, the host shall register the short term rental pursuant to the Louisville Metro Code of Ordinances. If the short term rental is not registered within thirty (30) days of the issuance of the conditional use permit, the permit shall become null and void.

STAFF: The applicant has been informed of this requirement.

- L. An active registration for the short term rental, as required by the Louisville Metro Code of Ordinances, shall be maintained. No short term rentals may take place unless the registration is active and in the name of the current host and property owner. If the registration is not renewed and lapses for six months, or in the event of a change of ownership and/or host, a new registration is not issued within six months from the date of the change, the conditional use permit shall become null and void. In order to recommence short term rentals, a new conditional use permit must be granted if required by this Land Development Code.
