Street paving

Dan, the estimate below will cover placing asphalt in the curblin along Sedgefield to allow for a smooth transition.

Thanks,
Andrew

It does, but we had all of our roads re-rated this year and are now showing over 65 miles of roads rated 26 and below. We're working on the final report to send out to all of the council around the first of the year.

Doesn't that indicate the road is horrible?
