Thanks, Stuart.

To confirm, one will go in across the street from the location listed to assist drivers coming from the La Grange Road area while the other will be installed further north/west to aid those traveling from the Westport Road area, correct?

Kip,

Due to pricing increases, LMPW needs an additional \$1,456.10 to purchase the two driver feedback signs for the above listed location. Is Council's office willing to cover this price increase? If so, LMPW is willing to receive the funds and conduct the project.

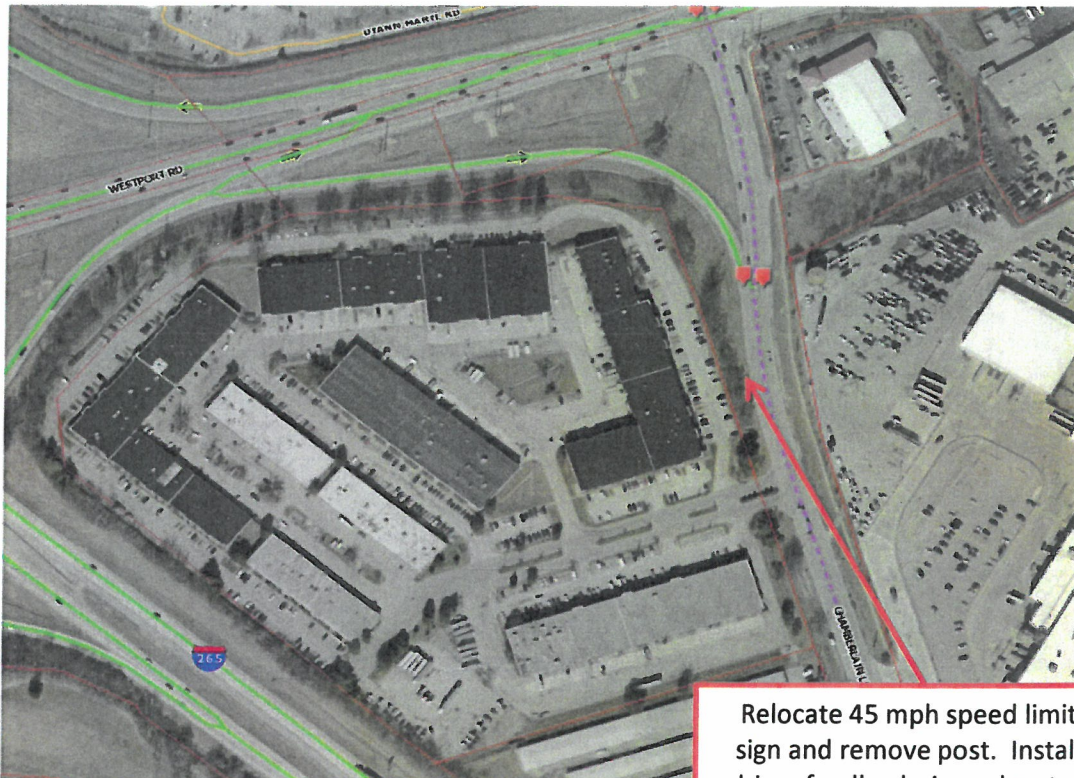

Thanks,
