Changing the course of our community

Pride Leadership Academy plans to use the benefits of sport to help remedy the core issues that plague low income communities. Just as a team comes together under a unified mission, so must our community.

PLA has various avenues planned for fundraising of the establishment of our facility. In order for us to fix our issues we have to take ownership of our community. We currently have three donation campaigns that will allow the public to choose on what level they wish to invest in their community.

Pride Leadership Academy

Change through Action

Pride Leadership Academy (PLA) is a sport plus nonprofit organization that will bring together a supplemental effort to education and the lessons learned through sports. Our organization will take the lead in revitalizing the spirit of our community. We will take our youth by the hand and transform them into the leaders of the future.

Our Programs

Our programs will give participants the tools needed to become the leaders of in the community as well as the business landscape. Through early career exposure and internships these individuals will be set on a path of success. It is our mission to achieve the highest standards in school. Doing so will help students transition into the professional realm. In return, we hope to create testimonies to inspire others.

PLA will offer an extensive curriculum designed to stimulate creative thinking and progress. Our courses will cover domestic discipline, supplemental education, health awareness, career development, and political enlightenment. This curriculum is intended to restore structure and stability in the home. Coupling our curriculum and the product of sport, we aim to inspire the future leaders of our community.

Home Building Skills

We believe that building on a sturdy foundation at home will carry over into all aspects of our participants lives. Our programs include cooking, gardening, child care, and budgeting.

Tutoring/Mentoring

In order for our participants to be successful, we have to provide them with the resources to thrive academically. Many of the volunteers in our tutoring and mentoring programs are current college students. There is no better reference point than experience.

League Play

We believe that sport can provide each individual with an opportunity for growth. Different sports will take place throughout the year to give participants a healthy variety of activities. Youth will participate based on age and skill level within each sport. Here at PLA, we make a deliberate effort to focus on building a solid foundation in technique and discipline.

Early Career Development

The end goal of PLA is to create a sturdy community by empowering its populous. The only way we can achieve that task is by providing them the opportunity to pursue their passion. Through careful research and experience, participants can comprise a deliberate road map to get there dream job. Ideally, those same participants will reinvest their experience into our mentoring program.

Why We Do This

One of our organization's core principles is "Libera Te Tutemet." This phrase has Latin origins and translates to "free yourself". Many of the obstacles we endure in our community today are self-imposed. Our successes are often impeded by lack of resources, planning, and exposure. Here in our program, we seek to eliminate these boundaries and expand our horizons. This is a movement of change and growth set to establish a more sturdy foundation in the development of our communities.

Greetings,

Watch, do nothing, complain. As opposed to actively sharing our talents and resources; too many people choose to watch the problems in our community unfold, do nothing to remedy those problems and criticize those who are working on a daily basis to address those problems. That is why I have been working in conjunction with Pride Leadership Academy (<http://www.prideleadershipacademy.com/>) to develop the West Louisville Soccer (West Louisville FC) initiative. West Louisville Soccer is an initiative committed to introducing the sport of soccer to children in West Louisville and more importantly, to providing them with an opportunity to improve their lives.

Why soccer?

Soccer requires discipline, commitment and an appreciation for teamwork. These are attributes that will form the basis for our young people's future success in any field of endeavor. In addition, success at soccer can open doors to better educational opportunities at both the high school and collegiate level. We all know that participation in organized sports can have a multitude of positive benefits. Kids who play sports are less likely to drop out of school, less likely to experiment with drugs and less likely to engage in criminal activities. Currently, young people in West Louisville have a plethora of opportunities to play basketball and football but for those disinterested, there is a significant void. Notwithstanding the fact that soccer is the most popular sport in the world: Its popularity is soaring in the United States and children in West Louisville and communities just like it are being left behind. Our children are missing out on the opportunities that participation in soccer can provide.

Around the world, soccer is commonly referred to as "The People's Sport" because all that is truly needed to play is an open space and a ball. However, in the United States, youth soccer does not look like "The People's Sport". In the United States and here in Louisville, organized soccer is a suburban sport played almost exclusively by upper middle class and wealthy kids. Locally, the cost for a child to participate in competitive club soccer is typically well in excess of \$1000 per year. This effectively prevents many of our children who could most benefit from participating in soccer from having the opportunity to play a sport that should be relatively inexpensive. We would like to change that but we need your help.

What is West Louisville Futbol Club?

West Louisville Futbol Club (WLFC) is an initiative to introduce the game of soccer and its benefits to students who attend West Louisville Elementary Schools. Participation is open to boys and girls in grades 3-5. The participants will practice twice a week and play games on Saturdays. All games will be played at Foster Elementary School. Last year was the inaugural year with 2 schools and 4 teams participating (2 each from Foster Elementary and Coleridge Taylor Elementary).

This year, the league will expand to 10 teams from the following elementary schools: **Foster, Coleridge Taylor, Byck, Brandeis, Carter, Engelhard, Frayser, Crums Lane and Young**. Participants will also be given life skills and academic success mentoring from Pride Leadership Academy (PLA).

What can you do?

Donate, sponsor, come out and cheer, and spread the word! As stated above, participation in soccer can be very expensive and causing too many children in our community miss the opportunity. This initiative is committed to keeping costs for the participating players and their families at a minimum. Participants in West Louisville Soccer will be charged a \$20 participation fee and all other costs (uniforms, shin guards, coaches, referees, field fees, etc.) will be offset through private contributions. We are not seeking to make a profit --we only want to provide the kids an opportunity. For \$1000, two of our teams can be fully outfitted.

Please contribute! All contributions are fully tax deductible. There are numerous sponsorship/marketing opportunities available. By donating to our program, you can provide a young person with the opportunity to get active and engage in a way that may truly change the trajectory of his or her life. Please feel free to reach out to West Louisville Futbol Club as soon as possible! The season is upon us and we look forward to partnering with you to make a positive change in the community.
