Dear Mr. Weiss,

As owner of the property of 508 and 506R East St. Catherine Street, I have no problem with you getting a variance to rebuild the back half of the property of 509 East Oak Street from the city planning and zoning commission, if you keep the alley between our properties free of nails, screws and other building debris. My house also sits on a zero-lot line.

Sincerely,

Richard G. Coomer LCSW
