RE: Request for Extension of Expiration Date for property located at 1418 & 1426 Willow Ave.; Case #s 17822 and 20-EXTENSION-0007

Dear Case Manager:

We are herewith filing an Application for Extension of Expiration Date on behalf of the applicant Willow Grande, LLC for the above referenced property. The plan was initially approved in Case No. 17822, with an approved Extension of Expiration in Case No. 20-EXTENSION-0007 which is expiring September 1, 2022.

Due to appeal delays combined with the Covid pandemic the applicant is requesting a 2-year extension from the September 1, 2022 expiration to September 1, 2024.

We understand from an e-mail communication from Jeff O'Brien dated April 26, 2022 that this will be a staff level approval. Please advise if otherwise. Many thanks.

Thank you for your consideration of this request.

Sincerely,

William B. Bardenwerper
