

This meeting is about short term leasing

Why do you need it zoned?

3 days less than a month for the amount of time rented

What amenities do you have?

Parking garage, no cars will need on the road. no pool

The city needs it zoned for their money

Voiced concern of people coming in and out

For a wedding how would it be organized?

Plenty of parking spaces

who is going to be here controlling noise?

Owner will not be present but law enforcement will be an option

Question about animals being here and running on others properties?

Small animals allowed, concern about lack of fencing

Concern that small animals will attack people.

Running on street, dogs attacking each other, potential hazard

Does owner care that people do not want as part time rental?

Owner cares, but it is her property. If allowed she will do it.

Large concern about rowdiness and bad people coming in.

Disagreement about how many family's can rent at a time.

Neighbors believe that owner is not allowed to rent as of now to current occupiers.

Neighbor claims that to empty pool, owner shot water into his yard.

Neighbor concern that property value is dropping because of rental.

Neighbors state "there will be too many Mexicans, illegal immigrants, and drug dealers will rent the house".

Does airbnb check the renter's information?

Yes

Neighbors want access to owner's other platforms and houses.

Neighbors want access to owners contact information.

Owner says her information is on airbnb and to reach her through her manager.

Overall concern of strangers renting out the house.

Concern that the high cost of the property will draw in fronts for alternate agendas.

Concern that owner will send money back to Russia.
