

INTERIM OPERATING AGREEMENT

This Interim Operating Agreement (the "Agreement") is entered into by and between Bird Rides, Inc., located at 406 Broadway #369 Santa Monica, CA 90401 ("Company"), and the Louisville/Jefferson County Metro Government (Metro) acting by and through the Department of Public Works and Assets located at 444 S. 5th Street, Louisville, KY 40202 as of August ~~8th~~, 2018 and shall remain in effect for a period of thirty (30) days unless extended by mutual agreement of the parties. This agreement is conditioned on the Company's compliance with the regulations and terms and conditions contained herein.

Until such time as Metro establishes regulations governing the operation of stand-up electric scooters, the Company shall comply with this Agreement.

I. Purpose and Scope

The purpose and scope of this Agreement is to establish interim rules and regulations governing the operation of dockless stand-up electric scooters ("Scooters") within the Metro right of way and to ensure that such mobility systems are consistent with the safety and well-being of bicyclists, pedestrians, and other users of the public right-of-way. For the purpose of this Agreement stand-up electric Scooters shall mean a device with no more than two ten-inch or smaller diameter wheels that has handlebars, is designed to be stood upon, and is powered by an electric motor that is capable of propelling the device with or without human propulsion at a speed no more than fifteen miles per hour on a paved level surface.

This Agreement applies to any proposed deployment of Scooters operating within the Metro right of way. Metro reserves the right to limit scooter operations to zones established by Metro. These zones may be changed at any time at the discretion of Metro. The Company will be notified in writing of such changes. Scooters found operating outside of any zone will constitute a violation of the terms of this Agreement and the Company shall pay as liquidated damages, which the parties agree are an estimate of damage which would be caused by violation of this provision, said damages being difficult to estimate and not constituting a penalty, of one hundred dollars (\$100.00 dollars) per Scooter found outside of the zone. The zone of operation for this Agreement is as follows:

The area bounded by the Ohio River to the North and West and the Watterson Expressway to the East and South.

A map of this boundary is found in Attachment-A attached hereto and incorporated herein

II. Parking

During the course of the Agreement, the Company will coordinate with Metro to identify locations to park scooters in preferred designated areas in the zone of operation as defined in Section 1 of this Agreement. The Company shall prepare a weekly list of the daily locations of proposed 'nests' for each group or individual scooter deployment location. A "nest" is defined as an improvement on the right of way which shall occur in a designated area, to be agreed upon in writing by the parties, for storage of Company's scooters. A weekly or daily list will be provided to Metro Public Works for review and approval. Scooters must be deployed before 6:00 a.m., local time daily and retrieved in total and placed in Nests, by sunset each day. Failure to perform the duties under this Section II shall be a breach of this Agreement.

The following shall also apply:

- A.** Scooters shall not be parked in a manner that would impede normal and reasonable pedestrian access on a sidewalk or in any manner that would reduce the minimum clear width of a sidewalk to less than 48 inches—the minimum clear width allowed under the Americans with Disabilities Act (ADA).
- B.** Scooters shall not be parked in a manner that would impede vehicular traffic on a street or alley.
- C.** Scooters shall not be parked in a manner that would impose a threat to public safety or security.
- D.** Scooters shall stand upright when they are parked.
- E.** Scooters shall not be parked in any way that blocks:

 - 1. Transit stops, shelters, or platforms.
 - 2. Commercial loading zones.
 - 3. Railroad tracks or crossings.
 - 4. Passenger loading zones or valet parking service areas.
 - 5. Disabled parking zones.
 - 6. Street furniture that requires pedestrian access (for example, benches or parking pay stations).
 - 7. Building entryways.
 - 8. Vehicular driveways.
- F.** Scooters that are parked in an incorrect manner shall be relocated or removed by the Company within two hours of receiving notice.
- G.** Scooters shall not be parked in such a manner as to impede or interfere with the reasonable use of any commercial window display or access to or from any building.
- H.** Scooters shall not be parked in such a manner as to impede or interfere with the reasonable use of any bicycle rack or news rack.

I. Scooters may be parked on blocks without sidewalks only if the travel lane(s) and 6-foot pedestrian clear zone are not impeded.

J. To the extent Company desires to park Scooters in areas other than the public right-of-way (e.g. parks, plazas, parking lots, private property, or transit stations), the Company must first obtain permission to do so from the appropriate Metro department, property owner, or public agency and shall communicate this right to users through signage approved by the respective entity and/or through a mobile or web application.

K. Scooters left at the same location for three or more consecutive days despite notification to the operator to relocate the scooter will be impounded. The Company shall be responsible for the costs of removal and storage.

III. Operations

As a condition of this Agreement, the Company shall begin operations with a fleet size of no more than 100 stand-up electric scooters. Company will not be permitted to increase its fleet size during the term of this Agreement. The company further agrees to the following:

A. Company must maintain a staffed operations center and shall maintain a 24-hour customer service phone number for customers to report safety concerns, complaints, or to ask questions. Company must also provide Metro a designated contact who will be responsible for relocation of scooters or to forward customer complaints received by Metro. Any changes in the contact information must be provided to Metro within 24 hours.

B. In the event a safety or maintenance issue is reported for a specific device, that Scooters shall be made unavailable to users and shall be removed within the timeframes provided herein. Any inoperable or unsafe device shall be repaired before it is put back into service.

C. Scooters are to be ridden on streets, and where available, in bike lanes and bike paths. Scooters are to stay to the right of street lanes and to offer the right of way to bicycles in bike lanes and on bike paths and shall yield to pedestrians.

D. Company shall provide notice to all users by means of signage and through a mobile, web or social media application that:

1. Scooters are to be ridden on streets, and where available, in bike lanes and bike paths. Scooters may not be operated on sidewalks.
2. Scooters are to stay to the right of street lanes and to offer the right of way to bicycles on bike lanes and bike paths and shall yield to pedestrians.
3. Helmets are encouraged for all users.

4. Parking must be done in the designated areas; and comport to the terms found in Section II, Parking.

5. Company shall require scooter users, in its Scooter Use Agreement, to release and forever discharge Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees, arising out of or resulting, directly or indirectly, from the user's use of the scooter. Company shall provide to Metro a copy of the aforementioned Scooter Use Agreement.

6. Riding responsibly will be encouraged.

E. All equipment shall have 'always-on' front and rear lights that are visible from a distance of at least 300 feet away under normal atmospheric conditions. Front and back lights shall stay illuminated 90 seconds after the vehicle has stopped.

IV. Liability and Indemnity

A. The Company shall indemnify, hold harmless, and defend the Louisville/Jefferson County Metro Government, its elected and appointed officials, employees, agents and successors in interest from all claims, damages, losses and expenses including attorneys' fees, arising out of or resulting, directly or indirectly, from the Company's (or Company's subcontractors, if any) performance or breach of the contract provided that such claim, damage, loss, or expense is: (1) attributable to personal injury, bodily injury, sickness, death, or to injury to or destruction of property, including the loss of use resulting there from, or breach of contract, and (2) not caused by the negligent act or omission or willful misconduct of the Louisville/Jefferson County Metro Government or its elected and appointed officials and employees acting within the scope of their employment. This Hold Harmless and Indemnification Clause shall in no way be limited by any financial responsibility or insurance requirements and shall survive the termination of this Contract.

B. Company shall purchase at its own cost and maintain Commercial General Liability insurance via the Occurrence Form, with a \$1,000,000 Combined Single Limit for any one Occurrence for Bodily Injury, Personal Injury and Property Damage, including Premises-Operation Coverage, Products and Completed Operations and Personal Injury. Insurance coverage is to be placed with a company approved by the Kentucky Department of Insurance to transact business in the state of Kentucky. Licensee shall furnish proof of insurance prior to Metro Government approving this License Agreement, and at each renewal period. The Louisville/Jefferson County Metro Government shall be named as an additional insured under the Licensee's Commercial General Liability policy, and this wording shall be stated on the required proof of insurance via a Certificate of Insurance. The Certificate of Insurance shall be furnished to: Louisville/Jefferson County Metro Government, Department of Public Works and Assets, 444 South 5th Street, 4th Floor, Louisville, KY 40202 See Attachment B attached hereto and fully incorporated herein

V. Termination

A. For Cause. If, through any cause, Company shall fail to fulfill its obligations under this Agreement, or, if it shall violate any of the covenants, terms or conditions herein, and if such failure or violations should continue for a period of seven (7) days after written notice of such is given by the Metro Government to Company, the Metro Government shall thereupon have the right to terminate this Agreement and specify the effective date thereof. Upon such termination, Company shall not be entitled to any compensation from the Metro Government, including but not limited to replacement value or fair market value of any equipment or improvements. If, after termination for cause, it is determined that Company has not failed to fulfill its obligations under this Agreement, the termination shall be deemed to have been effected for the convenience of the Metro Government.

1. Company must remove all scooters and all right of way improvements from the Right of Way within 7 days of notice that this permit is to be terminated at Company's sole cost.
2. If the scooters are not removed in a timely fashion. Metro will impound same.

B. At Will. Notwithstanding any other provisions of the Agreement, the Metro Government expressly reserves the right to terminate, cancel or revoke this Agreement at will. In the event such a determination is made, Metro Government shall forward written notice to Company, whereupon Company shall commence restoration as soon as practicable.

C. Should the Company breach this Agreement, the Company is not eligible to request for a permit to operate in the Metro right of way for a period of up to two years, depending on the severity of the violation resulting in the revocation.

D. Company shall have the right to terminate this Agreement at any time for cause or at will by giving notice in writing to the Metro Government at least seven (7) days prior to the termination date.

E. Renewal of this Agreement shall be at the sole discretion of Louisville Metro Government and will be conditioned on the performance and compliance with the terms of this Agreement.

VI. Fees

Fees set forth below shall be paid by the Company as consideration for this Agreement and are to be remitted to the Metro Government within 7 days of the effective date set forth in the first paragraph hereof.

A. Company shall pay a fee of one thousand dollars (\$1,000.00 dollars) to Louisville Metro Public Works for the use of the right of way.

B. The Company shall remit to Louisville Metro Government fifty dollars (\$50.00 dollars) per scooter as a one-time fee under this Agreement. These funds shall be accessible to Louisville Metro Government for public property repair and maintenance costs that may be incurred, removing, and storing scooters improperly parked, or if a company is not present to remove scooters if the terms of this Agreement are violated and operations are terminated.

C. Prior to occupancy of the right of way, the Company shall provide a performance bond of twenty-thousand dollars (\$20,000) to Louisville Metro Public Works with respect to Company's obligations under this Agreement as described on Attachment C attached hereto and fully incorporated herein.

VII. General Terms and Conditions

The Company hereby agrees to abide by these general terms and conditions as set forth herein.

A. Company hereby agrees and accepts the fact that an Agreement for temporary use of the right of way hereunder is in no way to be construed as implying the granting of long-lasting or permanent tenure over the right of way.

B. Company agrees that its use will not affect the rights or interest of other public or private entities, which may in the past, present or future co-exist on that portion of the right of way, which is the subject of this Agreement.

C. Company agrees that any work required or performed pursuant to this Agreement is to be done in accordance with Metro Government standards and specifications. The Company further agrees that any and all work to be performed on the right of way shall have the approval and authorization of the Director of the Department of Public Works of the Metro Government.

D. Company agrees that any construction, installation or maintenance work it does on the right of way under this Agreement shall be done in such a manner as to promote and preserve public safety and welfare and with a minimum of disruption and interference with the free flow of vehicular and/or pedestrian traffic over the right of way.

E. Company agrees to comply with all federal, state and local statutes, ordinances, rules and regulations which may pertain or apply to public right-of-way or lands or to its use of the premises and to not permit any nuisance or disturbance to occur upon the premises.

F. Company agrees that under no circumstances shall any public right-of-way or lands be used for commercial advertising. Company shall not place or permit any commercial

advertising signs, banners, balloons, or other inflatables, placards or billboards upon the encroached right of way.

G. Company shall use the encroached right of way solely for the purpose described under this Agreement above and no other activities may be conducted on said encroached right of way without the prior written approval of the Metro Government.

H. Company shall, at its expense, keep in good order, condition and state of repair the installations and/or improvements placed on the right of way during the period of this Agreement. The Company shall likewise keep in good condition and state of repair that area around the installation or improvement to the limits as determined by Metro Government. Company shall make no alterations to, nor make any improvements on, the encroached right of way without the prior written approval of the Metro Government.

I. The Metro Government retains the full right and authority to enter, inspect and view the encroached right of way.

J. The parties agree that the Metro Government may waive the performance of any items, conditions and covenants herein, provided that such waiver shall not be construed or deemed a continuing waiver of the same or any subsequent conduct which may constitute a default of any provision. Any amendments or modifications to this Agreement must be in writing and signed by both parties.

K. The Metro Government and Company by execution of this Agreement, hereby warrant and represent to each other that they are duly organized, validly existing, are qualified to do business in the State of Kentucky, have full right, power and authority to enter into this Agreement, and that each person signing on behalf of the Metro Government and Company is authorized to do so.

L. If any provision of this Agreement shall be declared invalid or unenforceable, the remainder of this Agreement shall continue in full force and effect.

M. The covenants, conditions, warranties and agreements made and entered into by the parties hereto are declared binding on, and shall inure to, the benefits of their respective heirs, successors and representatives.

N. This Agreement represents the entire understanding and agreement between the parties relating to the subject matter hereof and supersedes all prior negotiations and agreements relative thereto. The language in all parts of this Agreement shall in all cases be construed as a whole according to its fair meaning and not strictly for or against either the Metro Government or Company.

O. This Agreement shall be governed by and construed in accordance with the laws of the State of Kentucky. In the event of any proceedings regarding this Agreement, the parties agree that the venue shall be the state courts of Kentucky or the U.S. District Court for the Western District of Kentucky, Louisville Division. All parties expressly consent to personal

jurisdiction and venue in such Court for the limited and sole purpose of proceedings relating to this Agreement or any rights or obligations arising thereunder. Service of process may be accomplished by following the procedures prescribed by law.

P. Unless otherwise indicated, when the performance or doing of any act, duty, matter, or payment is required hereunder and a period of time or duration for the fulfillment of doing thereof is prescribed and is fixed herein, the time shall be computed so as to exclude the first and include the last day of the prescribed or fixed period of time. For example, if on January 1, Consultant is directed to take action within ten (10) calendar days, the action must be completed no later than midnight, January 11.

VIII. Assignability

This Agreement does not convey a permanent interest in public property right of way or lands and does not run with the land. Accordingly, the Company shall not transfer or assign any right or interest in the Agreement. Any attempt to assign or transfer the Agreement shall be considered a substantial breach and shall render the Agreement a nullity.

Such person or organization is an "insured" only with respect to liability for "bodily injury" or "property damage" caused, in whole or in part by your maintenance, operation or use of your covered "autos".

No deductible applies to this additional coverage. However, this coverage only applies if the airbag is not covered under a manufacturer's warranty and you did not intentionally cause the airbag to discharge.

3. AUTO THEFT REWARD

We will pay up to a \$2,000 reward in the event of a covered loss, for information leading to the arrest and conviction of anyone stealing a covered "auto". A reward will not be paid to you, a family member, employee or any public official while performing their duty.

4. BLANKET WAIVER OF SUBROGATION

The **Transfer Of Rights of Recovery Against Others To Us** condition under **SECTION IV – BUSINESS AUTO CONDITIONS, paragraph A. LOSS CONDITIONS** is replaced by the following:

We will waive any right of recovery we may have against any person or organization because of payments we make for injury or damage arising out of the operation of a covered "auto" when you have assumed liability for such "bodily injury" or "property damage" under an "insured contract", provided the contract is in writing and executed prior to the "bodily injury" or "property damage".

10. DUTIES IN THE EVENT OF ACCIDENT, CLAIM, SUIT OR LOSS

Under **SECTION IV – BUSINESS AUTO CONDITIONS** – the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is amended as follows:

The requirements that you must:

 - a. You, if you are an individual;
 - b. A partner, if you are a partnership;
 - c. An executive officer of the corporation or insurance manager, if you are a corporation; or

11. EMPLOYEES AS INSURED

The **Who Is An Insured** provision under **SECTION II – LIABILITY COVERAGE** is changed by adding the following:

Any "employee" of yours while using a covered "auto" you don't own, hire or borrow in your business or your personal affairs. This coverage is excess over any other collectible insurance.

12. EMPLOYEE HIRED AUTOS

The following is added to the **Who Is An Insured** Provision:

An "employee" of yours is an "insured" while operating an "auto" hired or rented under a contract or agreement in that "employee's" name, with your permission, while performing duties related to the conduct of your business.

For purposes of this coverage grant, paragraph 5.b. of the **Other Insurance** Condition in the Business Auto Coverage Form is replaced by the following:

- b. For Hired Auto Physical Damage Coverage, the following are deemed to be covered "autos" you own:
 - 1. Any covered "auto" you lease, hire, rent or borrow; and

Payment is limited to the lesser of the following amounts:

1. Necessary and actual expenses incurred.
2. The maximum daily payment of \$25 for any one day.

This coverage does not apply while there are spare or reserve "autos" available to you.

If "loss" results from the total theft of the private passenger "auto", we will pay under this coverage only that amount of your rental reimbursement expenses which is not already provided for under the PHYSICAL DAMAGE COVERAGE Extension.

21. TOWING – COVERED AUTOS

Under **SECTION III – PHYSICAL DAMAGE COVERAGE**, Coverage for Towing is amended as follows:
