Chair Person Yates explained that this discussion was about a proposed Resolution and that it would be on the Metro Council agenda on March 19, 2019 as an emergency Resolution, but he wanted it to be vetted at the Committee meeting so that it is not heard for the first time at the Metro Council meeting.

The following spoke to this item:

- Ben Kitto, Ice Miller LLP
- John Dadds, Christian Care Communities
- Chair Person Yates
- Vice Chair Piagentini
- Laura Ferguson, Jefferson County Attorney's Office

The following was discussed:

- Christian Care Communities is the largest faith-based not-for-profit senior living provider in Kentucky and they have a couple of facilities in Louisville that employ a little over 200 people
- the reason for the bond is the organization's ability to refinance at a better rate
- the reason for the Resolution being an emergency is because it needs to be approved by the Metro Council before they appear before the Kentucky Economic Development Finance Authority on March 26, 2020
- there is no cost to local government and no liability at any point in the bond process
- the difference between this bond and the Norton bond that was recently passed

[Tax Moratorium - Revised Ordinance Summary - January 2020.pdf](#)

A motion was made by Committee Member Dorsey, seconded by Committee Member Purvis, that this Ordinance be recommended for approval.

Laura Grabowski, Community Development/Develop Louisville, and Chair Person Yates spoke regarding the following:

- the purpose of this Ordinance is to provide a tax moratorium that freezes property owners' assessments if they are going to put money into doing rehab work to their house that is over 25 years old.
- property owners must meet one of four thresholds to be eligible for the moratorium, and only the second and third threshold are being amended in this Ordinance.
- this may help neighborhoods that have vacant and abandoned properties, as well as encourage property owners to increase the value of their homes as the other property in the area around them increases in value.

A motion was made by Vice Chair Piagentini, seconded by Committee Member Winkler, that this Ordinance be amended as shown in the attachment titled "O-003-20 PROPOSED CAM 031020 Amending LMCO 154 Regarding Property Assessment and Reassessment Moratorium Programs.pdf."

The following spoke to the proposed amendment:

- Vice Chair Piagentini
- Laura Grawbowski
- Council Member Sexton Smith
- Jeff Derouen, Jefferson County Attorney's Office
- Committee Member McCraney
- Committee Member Dorsey
- Committee Member Purvis
- Chair Person Yates

The following was discussed:

- concerns regarding the Ordinance only addressing gentrification as it

pertains to race and socioeconomic status, but should also include elderly property owners who are on fixed income

- the census tracts that are included, and how the census tracts are determined using Housing and Urban Development's definition
- there are currently 43 property owners using this program and none are owner-occupants
- after the five-year moratorium period ends, there is a three-year sit out period before the property owner can reapply for the moratorium again, and it is transferrable if the property owner sells the property
- there are grants available that homeowners can use for the rehab
- property owners can apply to participate in the moratorium through the Construction Review Office at 444 S. 5th Street
- property owners must apply before doing the work; the PVA will assess the property and then the work can be done; and after the work is complete, the PVA will reassess the property.

Chair Person Yates signed on as a sponsor.

The motion to recommend for approval carried by the following vote and the amended Ordinance was sent to Old Business:
