Thank you Sir! I will let you know if P.W. allows. If so we will be ordering 2 more cans for "LUCKY HORSESHOE NEIGHBORHOOD". Those will require pads, however we are working on those. Will we need to order additional liners?

Hi John!
The Lucky Horseshoe Neighborhood Association is asking for 2 additional permanent trash cans for there area. Can you inspect the following locations and determine if one could be placed there? Thank you for your help in the matters.

- 1.) Bohannon Ave at Homeview Ave – please check what corner would be best for a pad & can, if any.
- 2.) Racine Ave at either Bohannon Ave or 9th Street – please check if either is acceptable and then, if so, what corner.

Thank you for all your help in this matter!

Mr. Fenster,

Would these location be available for trash removal? SWMS does remove trash at Bohannon Ave at Thornberry Ave currently. These new requested addresses are 1 & 2 blocks away. Thank you!

Mrs. Hughes,

Per this email and conversations with Mr. Akridge of Public Works and Steve Fenster of SWMS the following locations have been approved for permanent trash can/concrete pad locations for the Lucky Horseshoe neighborhood.

- 1.) The S.W. corner at Bohannon Ave & Homeview Ave.
- 2.) The S.W. corner at Bohannon Ave & Racine Ave.

Dan looked at the locations for you. All would need pads Bohannon & Homeview would be best at SW corner. Racine & Bohannon would also be best at SW corner. Racine and 9th would be best at SE corner. As far as which one on Racine would be better, I would say the Bohannon location would be better since it is closer to the residential for SWMS. 9th is basically just two parking lots directly across from Churchill Downs gate 17.
