Craig,  
Councilwoman Fowler would like to move on funding repairs for 3 sidewalks. I have previous estimates of cost, however, I would like updated info prior to introducing paperwork for Council consideration. Is that something that you could provide for me?

The projects are as follows (with previous estimates):

- |                         |           |
|-------------------------|-----------|
| 1. 8802 Cottingham Way  | \$575.00  |
| 2. 7003 Ethan Allen Way | \$2260.00 |
| 3. 2013 Floradora Dr.   | \$1840.00 |

Please let me know if these figures are good, or if there are updates estimates that I can use in making the transfer request.

If you aren't the appropriate person for this information, I would appreciate it if you forwarded this to the appropriate person.

Thanks!

Craig,  
I have filed the paperwork with the Council clerk to have District 14 funding transferred to Public Works. It will be placed on the next Appropriations Committee meeting in 2 weeks. I just will need confirmation that Public Works will accept the funding for this project?  
A response to this email will suffice.  
Thanks!
